## Our Mission

From May through August we will host FREE movie events for families and entertain the community with:

- An opportunity to bond with family in a beautiful natural setting
- A nighttime event schedule for community members who've made this a family tradition
- A memorable experience for everyone, from toddlers to grandparents
- Convenient, local, fun and a safe night out
- A true community builder across diverse ethnicities and socio-economic backgrounds

The Movies at the Museum event series began in 2014 as an outreach initiative, giving local residents a reason to visit their local museum for a free and safe evening event. This well-attended community activity gives residents an opportunity to feel safe in their community, thus encouraging future visits.
