The Winery

LEARN

The Val Verde Winery is a family owned operation here in Del Rio, Texas. It has been in existence for over a century. It was established in 1883 by Frank Qualia, an Italian immigrant.

The Val Verde Winery is the oldest winery in the state of Texas and is still owned and operated by the descendants of Frank Qualia.

IMAGINE

The juice from what fruit is used to make wine? There are two main types of wine, red and white. Why are those the two main colors of wine?

CREATE

Create your own fruit juice from different fruits in your kitchen. What is the best way to get juice from each type of fruit?
